Notes:

1. Research income includes all funds to support research (direct and indirect costs) received from all sources to the organization (internal and external).
2. Data were obtained through a survey of research hospitals or from financial statements. Information for Alberta was not available.
3. FY2011 research income figures may have been adjusted as more accurate information became available.
4. Data are provided for the main hospital(s) including their affiliated hospitals and research institutes/centres, where applicable.

*Head count of researchers/scientists/investigators/clinician-researchers conducting research. (Does not include research fellows/post docs, technicians, students or support staff.)

- (a) Research income amounts were combined as these hospitals have one research institute.
- (b) For FY2013, the CHUQ AND CHA will be included as the CHU de Québec.
- (c) Data for St. Boniface Hospital are not included with WRHA.
