Notes:

1. Data were obtained through a survey of publicly-funded colleges and from financial statements.
2. College size categories are based on Fiscal 2017 total college income: Large = more than \$100 million; Medium = \$50 million to \$100 million; Small = less than \$50 million.
3. Apparent ties due to rounding.

*Research partnerships and completed research projects with external organizations governed by formal written agreements

**Students that were involved in applied research projects that were paid for their work

⁺Research income from industry sources in the form of grants or contracts; excludes in-kind contributions/donations
