Notes:

1. Data were obtained through a survey of publicly-funded colleges and from financial statements.
2. College size tiers are based on Fiscal 2018 total college income: Large = more than \$100 million; Medium = \$50 million to \$100 million; Small = less than \$50 million.

*Research partnerships and completed research projects with external organizations governed by formal written agreements. Excludes technical services agreements.

**Students that were involved in applied research projects that were paid for their work.

Includes industry research income in the form of a grant, contract or in-kind contribution. Excludes all funds from technical service agreements and entrepreneurship operations/activities.
