Notes:

1. Data were obtained through a survey of publicly-funded colleges and from financial statements.
2. College size tiers are based on Fiscal 2020 total college income: Large = \$250 million or more; Medium = \$75 million to less than \$250 million; Small = less than \$75 million.

* Research partnerships and completed research projects with external organizations governed by formal written agreements. Excludes technical services agreements.

** Students that were involved in applied research projects that were paid for their work.

+ Includes industry research income in the form of a grant, contract and/or in-kind contribution. Excludes all funds from technical service agreements and entrepreneurship operations/activities.
